

## **Role Profile for the Position of Deputy Principal in De La Salle College, Waterford**

**This role profile includes the core competencies and the contractual obligations of the Deputy Principal as set out in circular Letter 4/98.**

### **Core Competencies for the Role of Deputy Principal**

A review of the JMB framework of competencies for Principal and for Deputy Principals was commenced in November 2015 in the light of feedback from members of selection committees, Principals, Chairpersons of Boards of Management and Trustees representatives. One of the key aspects of the feedback was the perceived need to identify a separate competency focussing on promoting the characteristic spirit of the school.

During this review the Department of Education and Skills published the document, LOOKING AT OUR SCHOOL 2016: A Quality Framework for Post-Primary Schools. This document identified two key areas or dimensions of the work of a school, namely, Teaching and Learning, and Leadership and Management. Within the dimension, Leadership and Management, which is the dimension most relevant in the recruitment of Principals and Deputy Principals, four domains are identified:

**Domain 1: Leading Learning and Teaching**

**Domain 2: Managing the Organisation**

**Domain 3: Leading School Development**

**Domain 4: Developing Leadership Capacity**

The document goes on to identify standards under each domain, each with a set of statements of effective practice and statements of highly effective practice.

The JMB review group drew on three strands: the previous collaborative work with Principals, Deputy Principals, Chairpersons of Boards of Management and representatives of Trustees that identified the original framework; the aforementioned feedback from selection committees; and, the DES publication LOOKING AT OUR SCHOOL 2016: A Quality Framework for Post-Primary Schools.

The review group identified the following key competencies as being essential for the effective performance of the role and function of a Principal in a faith school:

- A. Promoting the Characteristic Spirit of the School**
- B. Leading Learning & Teaching**
- C. Relationship Management & Interpersonal Skills**
- D. Organisational Management & Administration**
- E. Strategic Planning**
- F. Self-awareness & Self-management Skills**

While there is not congruence between the six competency areas and the four DES identified domains, all of the domains and their respective standards are included in the revised competency framework.

Given that part of the role of a Deputy Principal is to act as Principal when the Principal is absent, the same six key competencies were identified. The sample behavioural indicators were modified to reflect the role of the Deputy Principal.

**Each of these competencies is defined in a school context below.**
